

Second grade science - May 11

Dear parents,

(La lección aparece en español en la parte inferior)

The following is the lesson for this week. Please feel free to contact me via email (llopez@husd.k12.ca.us) to ask questions or submit student work. You can also access this lesson on Google classroom <https://classroom.google.com/w/NzYwMTYxMTg3NTBa/t/all>, class code k3rafcs

This week you are going to make something special for Mother's Day. I have placed a plastic bin with a red lid in front of the school on the left side. Please make sure you do not take someone else's candle by accident. Once you have it, please watch this video.

https://youtu.be/WTb9_1nwo0M

Thank you to Bradley and Mr. and Mrs. Cuevas for their help with this video.

Esta semana harás algo especial para el Día de la Madres. Coloqué la vela que hiciste en mi clase fuera de la escuela en una contenedor de plastico. Asegura de no tomar la vela de otra persona por accidente. Una vez que lo tengas, mira el video.

Gracias a Bradley y al Señor y la Señora Cuevas por su ayuda con este video.
