

Learn at Home Resources 2nd Grade

Dear 2nd Grade Ruus families,

We know these times are uncertain and challenging. Here are some resources we have compiled for you to use as much or as little as is appropriate for your family during this time.

Ideas for a Daily Schedule: The only change I would suggest is moving the media/tv time to earlier in the evening, rather than right before bed. But of course do what works best for your family.

COVID-19 DAILY SCHEDULE

March Homework Menu:

- Students have had this green paper since the beginning of the month. Feel free to complete additional activities listed on the sheet, as we will not be able to collect it on time due to school closure.
- In case your child has lost theirs, here is a link to the image of the March homework calendar.

IXL, RAZ Kids, and Typing.com

- **IXL**
 - Can be accessed online or with app
 - Work on Diagnostic or Recommended Skills
 - In Recommendations, look for gold star skills from your student's teacher that specifically address relevant learning for this time of year.
 - Students should know how to do this, as they have done it in class many times.
 - Mrs. Huff's class:
 - Student usernames are a number followed by @haywardusd
 - Passwords are lunch #'s
 - Info for this can be found on your child's portfolio on Class Dojo
- **RAZ Kids**
 - **Mrs. Huff's class:**
 - Mhuff3 (teacher username)
 - Find your student's name
 - Password is their lunch # (most should have this memorized as we use it often)
 - Info for this can be found on your child's portfolio on Class Dojo
- **Typing.com**
 - Mrs. Huff's class:
 - Username: room15_____ (student name)
 - Password: lunch #

Scholastic Learn at Home Activities:

- These are mostly online/virtual learning experiences, with follow-up activities that may require a pencil and paper.

3 Weeks of Distance Learning Packet for 2nd Graders:

- This is a detailed 81 page packet that you are welcome to download and print for your use at home if you have access to a printer, or you can view the pages and work on them in a notebook or by speaking to your child about the work. The activities are fun and approachable, covering math and language arts.
